Dear Parents and Guardians:

Today your son was instructed that a copy of the **Parent-Student Handbook** was emailed to their school email account. An additional copy was emailed to all parent email accounts currently on file. I encourage you to save this email as a reference for pertinent school information regarding attendance, school policies and faculty contact information. You will also find a copy on our website under the Student Life tab.

After reading the handbook and familiarizing yourself with the policies and regulations, please complete, sign and return this sheet. Your son must return this form to his homeroom teacher on or before **Friday, September 14<sup>th</sup>**.

Sincerely,  
Mr. Ryan Mahoney  
Dean of Students

Mr. Christopher Scarella  
Dean of Freshmen & Student Success
